How to Submit your No Nutrients Applied Form to Door County SWCD

If you own agricultural land but will not be applying any nutrients, you will need to submit the “No Nutrients Applied Form”. Land that is in CRP or CREP programs fall under this category. This form can be found on the Nutrient Management tab of the SWCD website about half way down the page.

Who needs an NMP

- **EVERYONE!** All crop producers and livestock producers that apply manure or other nutrients directly to agricultural fields shall comply.
- Since January 1, 2008, all farms are required to have an NMP for their cropland
- Required by the WI Department of Natural Resources for concentrated animal feeding operations with 1,000 or more animal units.
- Must be submitted by April 1st each year.
