Pick-up site for new containers only.

No registration or forms required for any of the above locations.

SHARPS DISPOSAL INSTRUCTIONS

1. Put used sharps in a puncture-proof container, such as a red sharps box or a labeled laundry detergent bottle.

2. When container is 2/3 full, lock (or tape) the lid. Do not overfill.

3. Wipe the outside of the container with any household cleaner.

4. Place the full sharps container into a plastic bag prior to delivery to a collection location.

DO NOT USE containers that can break or puncture easily.

Milk container

Soda can

Glass container

Water bottle

IMPORTANT

Place all used sharps intact, in the container, do not separate.

Always place sharps in container with needle tip down.

Containers are for sharps only, no garbage.

It is illegal to put sharps (needles, syringes, and lancets) in the trash or with recyclables.

**Protect others and the environment -
dispose of your sharps correctly!**
