Appointments required at both locations

Your 30-minute appointment includes:

- Consultation from a Certified Child Passenger Safety Technician
- Car seat inspection to ensure proper fit for your child
- Recall check to verify your seat is safe for use
- Hands-on training to properly install your car seat in your vehicle
- Hands-on training to properly harness your child in the car seat
- Education on next steps, including when it's time for a new car seat or seat position

If you are unable to afford a car seat, please contact Public Health at publichealth@co.door.wi.us or 920-746-2234.

We will make arrangements for a free car seat, no questions asked, that must be installed by a certified technician.
