

DOOR COUNTY FAIR SEEDLINGS PROGRAM!

OPEN TO KIDS AGES 3-5 NOT YET IN KINDERGARTEN

Calling all young creators! The Door County Fair Seedlings Program is the perfect opportunity **for children ages 3-5, not yet in kindergarten**, to showcase their talents and imagination. This special program invites little ones to **bring up to 5 projects of any style** to be displayed at the fair from August 13th to 17th. With **no face-to-face judging**, every child will receive a participation ribbon for their efforts, encouraging a sense of pride and accomplishment.

***Pre-registration through Fair Entry is encouraged but not required**

***Projects can be dropped off and displayed at the Junior Fair Building on Wednesday, August 13th, from 10am to 5:30 pm.**

***Plus, all participants will receive a free pass to enjoy the fair's festivities throughout its duration.**

The Door County Fair Seedlings Program aims to "plant the seed" for future generations, fostering a love for creativity and exhibition in the hearts of our youngest fair attendees. Join us in nurturing the next generation of fair enthusiasts and let their imaginations bloom at the Door County Fair!
