2025 Fair Partnership

Are you excited for the 2025 Door County Fair? We certainly are! The 2024 fair was a great success, despite a couple of weather-related cancellations. Thanks to the incredible support from our partners, it was an exciting and fun event with huge attendance. We're looking forward to making the 2025 fair even more entertaining and enjoyable.

We'd like to take this opportunity to invite you to partner with us for the 2025 Door County Fair. Inside this envelope, you'll find information about a variety of partnership opportunities. We also welcome in-kind contributions, such as materials, services, or labor. No amount is too small to make a difference! Please review the partnership packages and see if any would be a good fit for you. If you have any questions or would like to discuss opportunities further, please feel free to contact either Thad Ash (tash@co.door.wi.us) or Alexis Tassoul (support.secretary@doorcountyfair.com) to set up a meeting.

We'd like to emphasize that the sooner you respond, the sooner we can include your name in our social media posts and printed materials. The Door County Fair website had a few thousand followers, and our "Let's Go Door County"; Facebook page received several hundred thousand views leading up to the fair, with over 1,041,411 views during the event, and couple local radio stations aired several announcements in the weeks leading up to the fair. To ensure we have all the information for our printed materials, we kindly ask for your response by May 1, 2025.

Thank you in advance for your support of the 2025 Door County Fair, August 13 – 17, 2025. We look forward to working together to make it a memorable and successful event.
