FOR IMMEDIATE RELEASE Sturgeon Bay, WI – (November 4, 2025)

Boat Launch Dock Removal – 2025 Season

As winter approaches, the Door County Parks Department will begin seasonal removal of boat launch docks. The removal schedule is as follows:

Week of November 3:

Frank E. Murphy Park Boat Launch

Lily Bay Boat Launch

Forestville Dam Boat Launch and Fishing Pier

Weather permitting, beginning the week of November 17 (to be completed by November 28):

George Pinney (Stone Quarry) Boat Launch

Robert Carmody (Little Sturgeon Bay) Boat Launch

Chaudoir's Dock Boat Launch

At the following locations — George Pinney, Robert Carmody, and Chaudoir's Dock — one launch dock will remain in the water through mid to late December, weather permitting.

A genuine thank you to our local boaters and visitors for another wonderful season on the water.

The 2026 Annual Launch Sticker will be available online, by mail, or in person at our office at the end of November — they make great stocking stuffers!

- END -
